

TCS All India NQT Hiring — 2026

RAG Knowledge Base Reference | Compiled from TCS official careers information

Source: TCS official All India NQT Hiring page. Registration for the referenced 2026 drive is closed; this document is a structured reference copy for the Placement AI Co-Pilot project, not an official TCS-issued PDF.

1. Drive Overview

TCS invited candidates from the 2024, 2025 and 2026 batches for All India NQT Hiring, with Prime and Digital cadre opportunities. The referenced page lists registration starting 18 February 2026, registration closing 20 March 2026, and tests from 10 March 2026 onward.

2. Compensation Listed on the Official Page

Cadre	UG (0–1 yr)	PG (0–1 yr)	UG (1–2 yr)	PG (1–2 yr)
Prime	9.09–9.30 LPA	11.59–11.80 LPA	9.45–9.66 LPA	12.05–12.26 LPA
Digital	7.09–7.30 LPA	7.39–7.60 LPA	7.50–7.72 LPA	7.82–8.04 LPA

Actual compensation is stated by TCS as being based on relevant work experience and job location.

3. Test Eligibility

- Highest qualification: B.Tech, B.E, M.Tech, M.E, MCA, M.Sc/M.S in any specialization from an AICTE/UGC recognized university/college.
- Minimum 60% aggregate (all subjects included) in Class 10, Class 12, Diploma where applicable, Graduation and Post-Graduation where applicable.
- No pending backlog at the time of the TCS selection process.
- No extended education; course should be completed within the stipulated duration.
- Education gaps must be declared; overall academic gap should not exceed 24 months until the highest qualification.
- Only full-time courses are considered; part-time/correspondence courses are not considered.
- NIOS secondary/senior-secondary candidates may apply if graduation/post-graduation, where applicable, is full-time.
- Candidates with up to 2 years of work experience are eligible.
- Age requirement listed: 18 to 28 years.

4. Hiring Categories — Nature of Work

Prime: Complex projects using advanced technologies and algorithms; exploration of emerging technology; system design, automation and security.

Digital: Solution development and integration; modern-technology initiatives; product-development related work; technology frameworks and tools.

Ninja: Application development and maintenance; systems engineering; exploration of next-generation technologies.

5. TCS NQT Integrated Test Pattern

Part	Section	Duration
Part A — Foundation	Numerical Ability	25 min
	Verbal Ability	25 min

	Reasoning Ability	25 min
Part B — Advanced	Advanced Quantitative & Reasoning	25 min
	Advanced Coding	90 min
Total		190 min

The official page states that the Advanced section is mandatory for candidates aspiring for Digital or Prime offers. Test performance determines qualification for Prime, Digital or Ninja interviews.

6. Application Process

1. Log in to the TCS NextStep Portal.
2. Register and apply for the drive under the IT category.
3. Select the skill on which you wish to be evaluated.
4. Select in-centre mode, choose three preferred test centres and apply.
5. Select three preferred job cities.
6. Confirm that the application status shows “Applied for Drive”.

7. Important Documents & Verification

Candidates must have original academic documents available. The official FAQ lists Class X, Class XII, Diploma where applicable, UG and PG marksheets through the latest semester and degree certificates. Original documents are verified during interview and joining.

8. Important Official Notes

- TCS states that meeting eligibility criteria is mandatory and eligibility is reviewed throughout the selection process.
- TCS does not ask candidates to deposit money at any stage of recruitment.
- TCS says hiring-related communication is not sent from free email services such as Gmail, Yahoo or Hotmail.
- Test-related communication is provided by TCS iON, according to the referenced hiring page.
- TCS states that internship experience is not considered for salary fitment.
- The referenced 2026 page states that candidates who already hold a TCS offer are not eligible to apply for that off-campus drive.

9. FAQ — Selected Official Information

Q: Which batches are considered?

A: The referenced drive considered 2024, 2025 and 2026 batches.

Q: What is the test duration?

A: 190 minutes: 75 minutes Foundation and 115 minutes Advanced.

Q: Is Advanced mandatory?

A: The official page says Advanced is mandatory if aspiring for a Digital or Prime offer.

Q: What is the minimum academic aggregate?

A: 60% or equivalent CGPA across the specified academic stages, with all subjects included.

Q: Are pending backlogs allowed?

A: No pending backlog is permitted at the time of the selection process.

Q: Are education gaps allowed?

A: Gaps must be declared and the overall academic gap should not exceed 24 months until the highest qualification.

Q: Is full-time education required?

A: Yes. Part-time/correspondence courses are not considered.

Q: How is CGPA converted in the FAQ example?

A: The official FAQ gives an example of $7.2 \text{ CGPA} \times 10 = 72\%$.

Q: What happens after applying?

A: The application status should show “Applied for Drive”; shortlisted candidates receive further communication.
